QUIZ NIGHT

Shawbury Village Players will be holding a quiz on Friday 28 October at 7.30 pm in Shawbury Village Hall. Entrance is £3 per person. Teams of up to six people are welcome and you may bring your own food and drink.

Coffee/Tea will be available.

Community Parish Plan—Update

There was an excellent turn out for the meeting at the Stanton Arms on 12 September (many thanks to Colin and Catherine for allowing us to hold it there). With the support that has been pledged, we have enough of us to be able to complete the consultation successfully and so produce a plan which will have weight with Shropshire Council. The main items of concern are, of course, related to planning matters - how much of what sort of building should take place

in the parish? But there is also scope in the consultation to ask other questions to help guide the parish council in making decisions on spending and what is done locally.

There will be a number of chances to influence the questions that are asked in the survey - look out for more information in the magazine or if you think there is something that we should be asking about, please contact Claire Crackett claire@crackett.me.uk or

any other parish councillor.

What is a Parish Plan

The aim of a Parish Plan is to have accurate information to inform any decision makers to guess; and to start projects to improve community life which have the support of everyone. Parish plans have been completed for communities all over the country.
